

## It is never too early to teach children good, smart money-management skills.

With the Financial Future Challenge, your child will not only learn but if they enter the contest they have the opportunity to win some great financial prizes that will start them off on a pathway to financial success.

Take three easy steps for your child to **LEARN, REGISTER, and ENTER** the challenge!

### STEP 1: LEARN

Download the worksheets on the site and work with your child to complete the activities. Have the whole family join in the discussions around saving, spending, investing and giving – everyone will learn something!

- [Save Now](#)
- [Spending Wisely](#)
- [Ready to Invest?](#)
- [Giving Back](#)

There is also a fun [word search puzzle](#) with a [glossary](#) to help understand some of the terms.

### STEP 2: REGISTER

Register your child for the contest: [www.financialfuturechallenge.com/registration](http://www.financialfuturechallenge.com/registration).

Students ages 8 to 13 years old who are residents of the United States can enter.

### STEP 3: ENTER

Use the [Contest Entry Planning Sheet](#) to help your child plan out their entry of an original game, book or app to help teach their peers what they have learned about saving, spending, investing and/or giving.

Once they have created their entry, they can log-in to the online entry portal, fill out the information, upload their entry and submit it into the contest. They need to submit it by 11:59pm ET on May 31, 2020 to be eligible for a chance to win one of the prizes listed to the right.

- Judging criteria includes (1) concept originality, (2) development and description of the idea, and (3) creativity and effectiveness.
- All entries must be submitted online by May 31, 2020 at 11: 59pm ET.
